Lastly, add your final thoughts to the 'Additional Comments'. Your input is important and we want to capture it so that we can use it to guide our decision-making.

CTE Director-Neil Hecht: nhecht01@kibsd.org
CTE Coordinator- Mike Finley: mfinley01@kibsd.org

Program Review:
CTE Syllabus – Each course in the sequence of CTE courses has a syllabus that meets guidelines that includes coursework relevant to the career field, industry standards, and assessments. Course syllabi elements ***could*** include: Course description, Learning objectives, Student Outcomes, Course goals, Major course projects, Project outlines, possible certifications, etc.

Work Experience Program

HIGH SCHOOL • RURAL SCHOOLS • AKTEACH

Goals

Explore

- Explore real-life jobs to inform what fits student interests and skills.

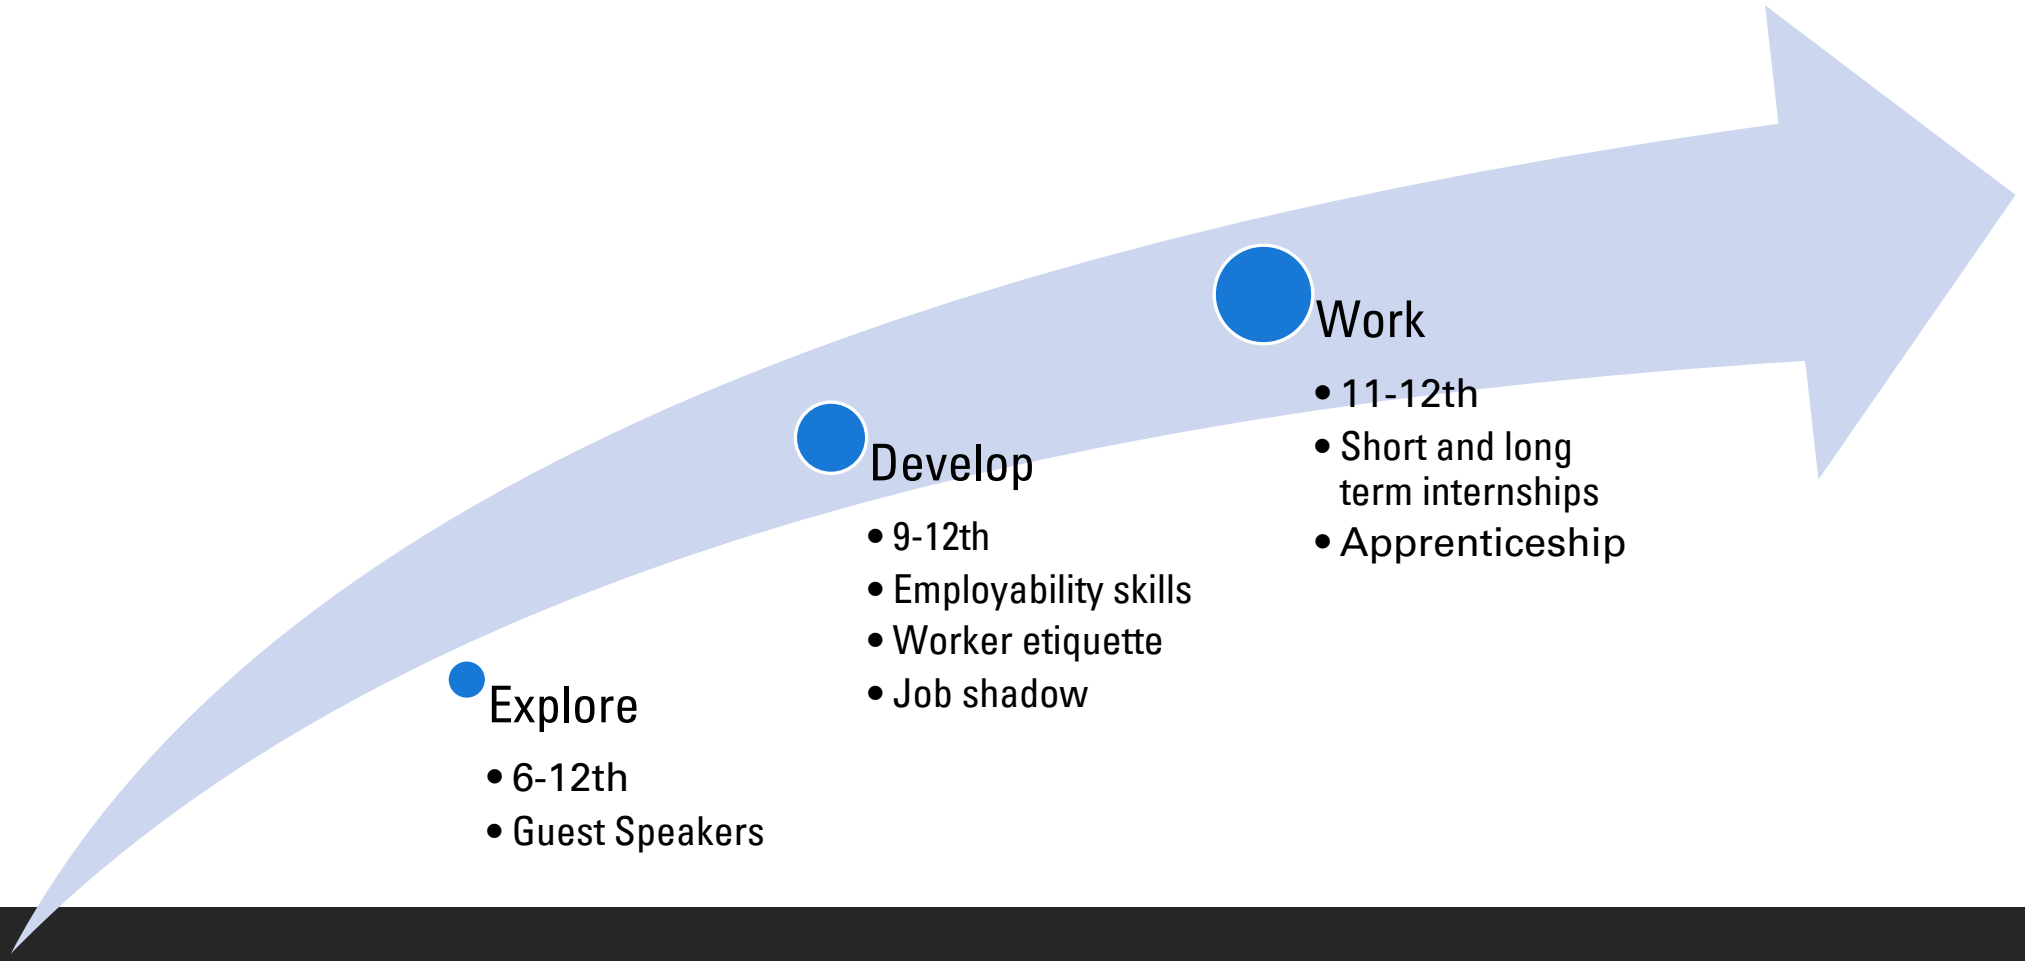
Develop

- Develop student work skills to improve ability to attain and keep desired job.

Work

- Work at an internship that could lead to a real career.

Ways to Participate



Design & Implementation

Build Pipeline

- Identify teachers of record
- Monitoring teachers
- Student/Partner Handbook
- Presenter schedule
- Legal requirements

Identify Students

- Student interest meeting
- Family and student survey

Identify Partnerships

- Present at Rotary
- Work with Chamber of Commerce

KIBSD Work Experience Program

Name: _____

Email: _____

Phone: _____

Employer: _____

Title: _____

- ☐ I am interested in speaking in a classroom
