Attendance - A Key Factor to Success

Dear families,

We are planning on providing quality remote instruction until January 11th, with students logged into classes and ready to learn Tuesday - Friday 9:00AM - 12:15PM. Students who miss even a few days of school each month are at far greater risk of academic failure and dropout than students who attend regularly. We have set a goal that every KHS student attends on-line regularly.

Because attendance is so important, please make sure your student is logging into classes Tuesday – Friday and participating in class. Students should be working individually on assignments in the afternoons and on Mondays. If your student cannot log into class for some reason please contact KHS at 486-7400. We know this is a challenging time for many individuals. We will be happy to work with you to help your student attend regularly and have greater opportunities for success.

The attachment, "Attendance Matters" was designed to help students understand the importance of attendance. Please share and discuss it with your student.

Sincerely,
Neil Hecht
Principal KHS
