The ELAP award for academic excellence goes to Ronald Paguio. Ronald is relatively new to Kodiak High but in that short time, he has proven himself to be an exemplary student and an outstanding addition to the school. When it comes to academics, Ronald constantly goes above and beyond the minimum requirements of any task and strives to demonstrate his learning to the fullest extent. For example, in his ELAP class, Ronald took the opportunity to revise an essay in order to perfect his English grammar and usage. He demonstrates not only a drive to succeed in the classroom, but also an eagerness for the learning process. In and out of the classroom Ronald is an excellent role model to other students, especially those in the ELAP program and displays kindness and respect through his actions.
