Timothy has had an excellent semester in the Small Engines Course. His enthusiasm, willingness to learn, and his ability to help others has been a huge asset to those in the class. He has developed an excellent understanding of the mechanical concepts and has the work skills to be successful in many areas both in school and out of School. Timothy always goes the extra mile to ensure that his work is done properly and thoroughly. His work ethic and attention to detail goes a long way to ensure his success.
