Academic Excellence in Language Arts

Angel Mangrobang

I have the pleasure of recognizing an outstanding Sophomore student for the English Department's 10th grade recipient of the Academic Excellence Award. Of the many brilliant, kind, and considerate students we encounter each day, we chose Angel Mangrobang for this honor. She is a pleasure to have in class and she always has a ready smile. She is worthy and deserving of this recognition. It is students like her that make Kodiak High School a better place for all of us.
