

# Shaping Alaska's Future

## Academic Excellence in Automotive Technology

### Elizabeth Luther

*Elizabeth has done an exemplary job this semester in Automotive 1. She possesses an excellent work ethic and strives to do her best in all given situations. She has shown highly developed leadership skills and the willingness to put in extra time to be successful. Her problem solving and critical thinking skills are developing at a rapid rate. This trait will undoubtedly ensure her success in any professional areas that she chooses.*
