Angelika has been a high achiever since the moment she walked into my classroom. Even though I have her bright and early in the morning, she is positive, upbeat and engaged in her work. She has consistently had a grade of an A throughout the year and is a top scorer on all of my exams. Her sense of humor brings joy to my classroom and keeps other students engaged. Without a doubt, Angelika is deserving of this award. She is inquisitive, hardworking, and motivated. I’ve loved having her in class this year.
