

# Shaping Alaska's Future

## Academic Excellence in Music

### Flora Galleto

*Flora May Galleto is a very active member of the Kodiak High School Music Department. She has participated in Choir, Dual Credit Music Theory class, as well as in every possible extra-curricular contest. Flora is a dedicated musician, practicing voice outside of class and attending after-school vocal lessons with Mrs. Blackwood. Flora not only demonstrates excellent vocal technique, but she also understands the music theory and can sight-read even difficult pieces. In order to best express her pieces, she is a diligent researcher of her text, whether in English or a foreign language. Her dedication and hard work has been rewarded with many high honors as a performer in the Alaska All-State Choir, the ACDA Northwest Choir, Carnegie Honors Performance Series Honor Choir, and ASAA State Solo and Ensemble Contest. This year Flora was selected as an Alto 2 First Chair Candidate for the 2015 All State Mixed Choir. She currently has one of the highest scores in her Music Theory class. The Kodiak High School Music Department is pleased to present the Spring 2016 Music Department Academic Excellence award to Flora May Galleto.*
