

Career & Technical Education Advisory Group

October 4, 2018: 5:30pm

Kodiak High School Library

Purpose; the creation of a Career & Technical Education Advisory Group. This group will assist in the development of a five-year plan for the courses and direction of *life ready* skills. Think of this as a view from 30,000 feet, looking down at where we *are* and where we can *go* from today. The CTEAG will meet again in Spring 2019, and will look at meeting no less that twice each school year.

Please know that your input is valued and our students will appreciate the work you put into their future success.

Topic	What	Who	Time
Who are we?	Brief introductions Partnership building:	All	5 minutes
What are we here?	Develop a CTE vision and move forward into the future of CTE at KIBSD (KHS, KMS, Rural Schools)	Staff	5 minutes
Why is this important?	To develop a plan for not just improvement, but a plan to meet the need of our students, community, and life ready skills.	All	7 minutes
How will your input be gathered?	What do you know about KIBSD CTE already? Take time to get your input on a short and in-depth survey. Let's do one question at a time to discuss importance	All	25 minutes
When can you expect a plan?	This plan will be a living document. Meaning, we will take all the input from you today and others that were unable to attend. Put it into a plan to the state. Then, we will provide a draft and will plan to meet in Spring 2019. And will continue to make changes as we grow.	All	7 minutes
What is next?	Develop the plan, change as needed based on input, job market, life ready skills. Look at possible changes to our CTE offerings and courses that might become available.	All	7 minutes

Lastly, add your final thoughts to the 'Additional Comments'. All input is important and we want to capture it on paper as we review and grow for the future.

CTE Meeting Attendance Oct. 4, 2018

Damon Hargraves	dhargraves01@kibsd.org
Travis Gannon	tgannon01@kibsd.org
Georgianna Spear	gspear01@kibsd.org
Michael Finley	mfinley01@kibsd.org
Lorraine Stewart	lestewart@alaska.edu
Tom Pogson	thomas.pogson@kodiakhealthcare.org
LA Holmes	laholmes@alaska.edu
Matt Bieber	mbieber01@kibsd.org
Eric Raisley	eraisley01@kibsd.org
Darcy Glagolich	darcy.glagolich@kibsd.org
Teresa Hedges	thedges01@kibsd.org
Neil Hecht	nhecht01@kibsd.org

Survey Questions:

Are you a:

(Circle One)

Student:(grade: _____)	Parent	Teacher
Business / Industry	Counselor	Government Agency
CTE Teacher	Other	

Other: _____

How familiar are you about the CTE programs offered by KIBSD? (Scale of 0-5)

(0=No knowledge, 3=Know a little, 5=I can tell you about CTE at KIBSD) (circle one)

0 1 2 3 4 5

Which Career & Technical Education Courses should we offer at KIBSD to meet job market and to prepare students for life after high school?

How can KIBSD encourage students to enroll in and take advantage of CTE courses at KIBSD?

How can we be sure to reach all students? (Students with disabilities, Displaced, limited English, Homeless, Single Parents, economically disadvantaged)

How can we evaluate our courses and outcomes to be sure we are being successful?

What would an apprenticeship, O-J-T, or mentorship program look like in Kodiak, AK?

If you could share your own vision for what Career & Technical Education will look like at KIBSD, what would you say?
