

Established in 1995, The Alaska Community Foundation is a statewide platform for philanthropy that connects people who care with causes that matter. Managing more than \$120 million in assets and over 550 funds for the benefit of Alaskans, ACF and their Affiliates grant out an average of \$6 to \$8 million each year to charitable projects and nonprofit organizations and award hundreds of students scholarships across the state. ACF's mission is to inspire the spirit of giving and connect people, organizations and causes to strengthen Alaska's communities now and forever.
