Academic Excellence in Automotive

Kavik DeHart

Kavik DeHart is a student that is very passionate about the world of Automotive. I have had the privilege to teach him for the last 3 years and I have found him to be a very hard working and driven individual. Kavik is quick to take the lead in projects and to help other students that may need help. I have no doubt that his skill and determination will drive him to success in whatever endeavor that he chooses to take on. It is for these reasons that I recommend Kavik DeHart for the Automotive Academic Excellence Award.
