## Academic Excellence in Language Arts

### Mia Loska

*The KHS English department would like to recognize Mia Loska for her academic achievements during semester 1. Her quiet dedication and no-nonsense approach to classwork make her a model student, and her maturity and insight make her delightful to be around. Mia is not satisfied with simply completing a task. If it is not done to her standard, she will work it over and over until it is right, and in the process of doing so she uncovers the corners that others might miss. Mia's peers recognize this and often turn to her for guidance or a quick check to see if they are doing it right. Her kindness is a welcome addition to any classroom, as is her determination and focus. Thank you, Mia, for making KHS a better learning community.*
