## Academic Excellence in Language Arts

### Patricia Villaran

*The award for academic excellence in senior English goes to Patricia Villaran. Patricia has demonstrated both an outstanding work ethic and an enthusiasm for learning. While we read the Shakespeare play Hamlet, Patricia read and acted out the part in front of the class with panache and good humor. She's always willing to participate in class discussions; her opinions are carefully considered and thoughtfully presented. Her assignments are always insightful and well-written. It's a pleasure to recognize her achievements with this award.*
