Dear Student Applicant:

December 2025

The Kodiak Scholarship Foundation, Inc. (KSF) was founded in 1989 by a group of Kodiak residents with a concern for providing post-secondary education financial assistance to Kodiak Island Borough School District graduates. It is the long-term goal of KSF that no student be denied access to a post-secondary education because of the lack of money.

2026 graduates of Kodiak Island high schools desiring to further their education at a college, university, technical or trade school are eligible to apply for approximately **150+ scholarships**. Selection and award are based on a variety of criteria, so the more complete the application the better your chances.

Applications are to be typed or filled out in ink in a legible and complete manner. You may download a Word version from the counseling center website. All questions must be answered as accurately and completely as possible. Some application information may be shared with scholarship sponsors. ***The completed application must be returned to the KHS Counseling Center no later than 3:45 PM Monday February 16, 2026.*** Please remember, the information you supply is what the selection committee considers when making their decisions, blank and incomplete answers will put you at a disadvantage.

No folders please, paper applications only, stapled in the top left corner in following order;

Letters of Recommendation

A KSF scholarship illustrates the Kodiak community's commitment and confidence in its youth. A KSF scholarship is an investment in Alaska's future.

Good Luck with your application and with your future education.

Sincerely,

Bob Brodie  
President  
Board of Directors
