Main Elementary's Kindness Tree Celebrating National Bullying Prevention Month.

Mrs. Chervenak's Weekly Message

Greetings Main Families:

October is National Bullying Prevention Month. During the month of October we increase our focus on bullying prevention. During classroom lessons this month, our school counselors, Miss Maggie and Mrs. Bruce, are teaching strategies to students to help them recognize and respond if they witness or experience bullying. Teachers will be continuing these conversations to help students understand their role if bullying is seen or heard. As parents, teachers and school staff, we all play an important role. Positive change comes when we emphasize respect and inclusion.

Conversations about everyday examples of mathematics help children see the usefulness of the skills they learn in class. From cooking using measuring cups, to measuring the size of items in your house, math skills help everywhere. Here are a few ideas to help start conversations about math with your child.

- Shopping for the best price.
- Preparing food.
- Figuring out distance, time and cost for travel.
- Understanding sports (being a player and team statistics)
- Playing music.

Thank you for your continued help keeping our students in school. By following the Covid-19 mitigation strategies: masking, distancing and washing hands, we are happy to have reported staying open as a school for the first full month. Please remember to stay aware of situations that may put you or your child at higher risk of infection. Working together we can keep our students in school learning and growing.

If your child is feeling unwell, keep them home and you can check in with our nurse for more information.

Wishing you a wonderful weekend!

STAFF HIGHLIGHT!

Main welcomes new Aide III Michelle Miley

In addition to working in the ELAP department, Michelle will help with Spanish interpreting for our students and families.

Michelle says the best thing about working at Main is seeing the students grow and learn. She loves getting to be with students and helping them and the teachers.

Michelle was born in California and raised in Mexico.

In her free time, Michelle likes exploring new places and practicing photography.

Bundle Up and Be Seen!

Now that it's dark and cold out, please send your student to school with a coat, hat, gloves and boots.

A change of clothing in your student's backpack will help keep them warm if they get wet at school!

Wearing reflective gear helps keep students safe in the dark mornings!

MAIN STORYBOOK CHARACTER PUMPKIN DECORATING CONTEST!

Main Library is celebrating reading by hosting a
Storybook Character
Pumpkin Decorating Contest!

To enter, decorate a pumpkin as your favorite
character from a storybook. You can paint, draw,
dress up or decorate a pumpkin to look like a
book character. (*Please DO NOT CARVE pumpkins!*)

Entries are open to classrooms and Main families.

Bring your pumpkins to the library
by Thursday, Oct. 28.

Entries will be judged and winners will be
announced Friday, Oct. 29.

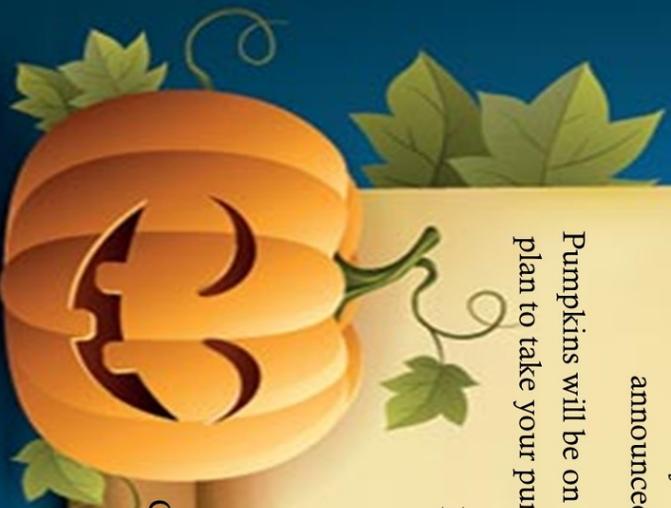

Pumpkins will be on display in the library. Please
plan to take your pumpkin home Friday, Nov. 5.

Prizes will be awarded!

See Miss Daisy or call
486-3006 for details.

Participation is optional!
