FEDERAL IMPACT AID

The deadline for the Federal Impact Aid forms is November 12th, Please send the form back to school with your child. If you need another form please let us know in the office and we will send it with your student.

MARK YOUR CALENDARS

November 2021

- 11/12 Impact Aid Deadline
- 11/15 Inservice- No School
- 11/22-11/23- Conferences (Early Release-1:50)
- 11/24, 11/25, 11/26 Thanksgiving Break

FAMILY CONFERENCES

Conferences will be on Nov. 22nd and Nov. 23rd. There will be an option between virtual or in-person conferences this year. Teachers will be reaching out the week of Nov. 8th to schedule a day and time. These days will be Early Release at 1:50.

A MESSAGE FROM THE PRINCIPAL

The Holiday Season is upon us! Thanks to all who participated in the Pumpkin Decorating Contest. The library was full of beautiful pumpkins and accompanying books. The students enjoyed viewing the creations of their peers and it inspired many kiddos to read more interesting books. As we get deeper into fall, our weather seems to be changing on us. Please be sure to send your kiddos to school with appropriate outdoor gear. We will go outside as much as possible for some fresh air and movement- rain or shine. I wish everyone a happy, healthy November!

HAZARD BUS

Starting on November 1st, our Hazard Bus will begin running. This bus provides service through the winter months for students that normally don't have bus service. Please call the office if you are interested in having your child use this bus. 907-486-7500

Our Librarian, Ms Victoria, hosted a fun storybook pumpkin decorating contest! The library was full of creative characters!

October Fun

Potato Wedges
Golden Corn
Chilled Peaches
Choice of Milk

What-a-melon!

You might ask, "What is this watermelon doing wearing a big pink bow and sitting on a gold throne?" More importantly, you might ask, "Why is this watermelon square?!" These square melons debuted in Japan as a trendy gift, selling for around \$200 each. They're grown in boxes to get the cube shape, and they're meant to be ornamental, and most often they are not meant to be eaten, just admired!

Chili
Peas/Carrots
Chilled Mixed Fruit
Choice of Milk

WARM AND SOAPY.

You wash your hands to get rid of germs - and water alone can't do that. You need soap and warm water to rinse away bacteria. So soap up your hands, pull them out of the water stream and rub them all over for at least ten or fifteen seconds, and then rinse off.

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!

STALACTITE

Hangs from the Ceiling of a cave - contains the letter "c"

Underground caves contain cool formations called "stalactites" and "stalagmites." They form when water seeps through the ground and drips from the cave ceiling.

There are caves you can tour in almost every state. You're probably no more than a few hours away from one!

Grows from the Ground of a cave - contains the letter "g"

ABOVE and BEYOND

If the state of Alaska were placed inside the continental United States, it would stretch from coast to coast and from Canada to Texas. At their closest point, Alaska and Russia are only 55 miles apart.
