COVID-19 Daily Decision Tree
Review this decision tree every day before reporting to in-person school.

For Students

Has the student traveled outside Alaska within the past 14 days?

- Yes
  - Stay home.
    - Communicate reason for absence to school staff.
  - No
    - Has the student been in close contact* with anyone who has tested positive for COVID-19 or been asked to self-quarantine because of close contact with an infected individual?
      - Yes
        - Travel outside Alaska = Home for 14-day quarantine OR 2 negative COVID-19 tests separated by 7-14 days. (see Alaska Travel Mandates)
        - Close Contact= Home for 14-days from last point of contact with positive COVID-19 individual. A negative test does not end quarantine period.
      - No
      - Does the student have ANY of the following symptoms (with no confirmed and documented diagnosis of something other than COVID-19):
        - Fever/Chills
        - Cough
        - Fatigue
        - Muscle or body aches
        - Headache
        - Shortness of breath or difficulty breathing
        - New loss of taste or smell
        - Sore throat
        - Congestion or runny nose
        - Nausea or vomiting
        - Diarrhea
        - Abdominal pain
        - Rash
        - Joint pain
          - Yes
            - COVID-19 symptoms = Refer to the KIBSD Health Plan.
          - No
            - Go to in-person school.

* Close contact is defined as being within 6 feet of someone diagnosed with COVID-19 for 15 minutes or longer (during their contagious period as defined by public health).
