3rd Graders Climb Old Woman Mountain

As is the tradition, our Peterson third graders climbed Old Woman Mountain looking for Kodiak plants. They came back with bags full of cranberries and lots of exciting hiking stories.

Ms. Rose and Ms. Thompson’s classes had a picnic at the top and spent some time at the sand/ash pit. Students enjoyed the beautiful day outside

First week

Our first week back was amazing! It was so nice to have students back in the school again after six long months.

Ms. Thompson’s class likes their new desks.

We are using more of our outdoor space.

So happy to have had some great weather!

Inservice looked a bit different this year. All staff wore masks and we physically distanced in our library and atrium area. We took advantage of our courtyard for a get-to-know you activity. We were all excited to be back in the building preparing for our students’ first day!

K

**MRS. VORHIES AND
MRS. WHITNEY**

Have been preparing and meeting with their kindergarten students. They will welcome them to their first day on Monday, September 14th. We welcome Mrs. Whitney to our Peterson family.

1

**MRS. ALFORD AND
MS. RAISLEY**

Welcomed 29 1st graders to Peterson Elementary this week. Ms. Raisley looped up with her students this year! Mrs. Alford is excited to work with her new students this year.

2

**MRS. RICA AND
MRS. WAGNER**

Welcomed 37 2nd graders to Peterson. This is our largest grade-level. Mrs. Rica is excited for her first year as a teacher!

3

**MS. ROSE AND
MS. THOMPSON**

Peterson has 28 3rd graders. Ms. Thompson has looped up with her class this year. Both teachers and students have already had a great start to the year!

4

**MR. HICKS AND
MS. SCHMITT**

Peterson has 28 4th graders Mr. Hicks has looped with his students and they have already happily settled back into their routines. We welcome Ms. Schmitt to our school!

5

**MR. JAMES AND
MRS. SIMEONOFF**

Mrs. Simeonoff has also looped up with her students this year. They are already getting back into their routines and planning for some art projects. Mr. James welcomes his new students. A total of 32 5th graders this year.

**PETERSON FAMILIES
AND STAFF HELPED
TO CLEAN UP OUR
PLAYGROUND AND
ENTRYWAY!**

THANK YOU!

OUTDOOR CLASSROOMS

We have found a great way to use our overstock of classroom chairs. We've created outdoor classrooms. Spaces where students and teachers can read, write, speak and learn.

Mr. Hicks' 4th graders took advantage of the beautiful sunshine and did some reading outside.

What a beautiful backdrop!

Our fifth graders enjoy their morning snack outside!
