Older Business:

City Pool Pass

Funded and State Approved!

CAMP Grant- Please reach out to Kodiak College if you have a student who is interested in attending KOC after high school. The CAMP grant is for MEP students, and they are excited to be able to offer this grant to our Migrant Ed. students.

New Business:

- Migrant Education Program (MEP) – Vocabulary
What is the difference between a COE and an ARC?

COE is Certificate of Enrollment. Recruiters call every household to verify MEP enrollment. Once you are in the MEP program, you are qualified for **3 years**. Recruiters call to see if you have any new moves over the summer. If you do, the move qualifies you for another year. It is this certificate that verifies your place in the program.

ARC-Annual Recertification of Certificate- this means you didn't do any new moves OR you did the same activity as the year before, and don't want to fill out the paperwork. It shows the state that you are still in the Kodiak school system.

- **Update to the City Pool Pass** – All are now annual, unlimited entry for Open Swim Periods, and all are valid from now until September 30, 2025 – so please enjoy and use all Summer long too!

(If you haven't asked for a pool pass, please reach out to Ms. Cess. She is compiling names for the next enrollment on January 1st.)

- **KMS Opportunity!!!** Mrs. Daisy is hosting **AFTER SCHOOL HOMEWORK HELP** -Ms. Daisy is offering after-school homework help every day at KMS until 4:15-4:30 in the library. Please reach out to her if you have questions. Parents need to arrange pick-up for their students. Daisy.Briones@kibsd.org

- **Summer Activity Kits** – Parent Book Surveys are to be coming out after the first of the year, sometime in January 2025.

-Survey includes options to write in titles, Caldecott, Newberry titles, Battlebooks? Dave Pilkey? Could funds be used to buy Battle Books to have in the office for checkout?
