 - a. Passes probation,
 - b. Meets standard on evaluation, and
 - c. Has not used leave without pay during the school year with the exception of FMLA, AFLA, allowable unpaid leave, or employees within the first three years of employment.
- III. In the event of an evaluation not meeting standard, a subsequent meeting will be held between the employee and the appropriate administrator/supervisor, in which a written plan of improvement shall be implemented addressing the specific areas that resulted in their evaluation not meeting standard. The

employee, upon request, may have an Association representative present. Detailed written records of all such meetings shall be maintained. The supervisor shall reevaluate the employee in three (3) months and if the new evaluation meets standard the employee shall, if eligible, receive their step increase on the following pay period. This is not retroactive. If the employee fails to meet the requirements of the plan of improvement after three (3) months the employee could be dismissed.

383 PERSONNEL FILE

All employees' permanent files (not including payroll records) shall be maintained under the following conditions:

- I. All materials in the employees' permanent personnel file shall be available to the employee for inspection upon request.
- II. Security measures shall be taken to ensure confidentiality of information contained within the personnel file.
- III. Only the Superintendent, the Secretary to the Superintendent, the Assistant Superintendent, the Secretary to the Assistant Superintendent, and Human Resources staff shall have access to the personnel file without the written permission of the employee. Access to personnel files by the School Board shall occur only after authorization by the Board in regular or special session. Authorization must state specific files and purposes for access. Employees shall receive notice of pending action.
- IV. A standard log shall be maintained for each personnel file to document access. Each person who accesses that file must note their name and date file was accessed.
- V. Material originating within the District, which is derogatory to an employee regarding that employee's conduct, service, character, or personality shall not be placed in an employee's file unless the employee has had an opportunity to read the material. The employee shall acknowledge that they have read such material by affixing their signature to the actual copy to be filed within three (3) working days of receipt. Such signature does not necessarily indicate agreement with the content of the material. Should the employee fail to sign or refuse to sign any document intended for filing in the personnel file, the Superintendent and the Association President shall note the item was filed only after the employee failed or refused to sign the item.

- VI. Evaluation forms and other documents pertaining to employee performance and character shall remain in a permanent part of the employee's personnel folder and no such items shall be removed without written notification to the educational support professional and consent by the employee. Removal as used in this section is defined as the permanent removal from the personnel files and not to be considered part of the file.

An employee may request removal of written disciplinary action from their personnel file by sending written request to Superintendent or designee two (2) years after the date of the document. The Superintendent will respond with their decision in writing to the request. This item does not pertain to evaluation documents.

- VII. The employee shall have the right to respond in writing to any material filed, and such response shall be included in the file.

385 PROBATIONARY PERIOD

Probationary period is defined as the first six (6) months from the first day of work. Any personal leave accrued during an employee's probationary period will have no cash value upon separation if the employee separates during the probationary period.

A probationary employee whose performance does not meet the required job standards as determined by the District may be dismissed at any time during the probationary period; such dismissal is not grievable.

District Administration will make every effort to identify issues as early as possible and provide the employee opportunity to correct.

A temporary hire who becomes a permanent employee, in a similar position without a break in service, shall receive credit for their temporary employment as part of their probationary period, up to three (3) working months.

390 RIGHT TO ACCOMPANIMENT

If, during the course of a meeting with an administrator and/or supervisor, an employee requests Association assistance or believes they are facing or may face disciplinary action, the meeting will be recessed for a reasonable period of time until an Association representative can accompany the employee.

Annually, the District will provide training to administration on the right to accompaniment and the Association will provide training to the association members.

391 BREAK IN SERVICE

A break in service (without approved leave or layoff) by an employee shall result in the loss of fringe benefit privileges.

Previous Kodiak Island Borough School District work experience may apply for step placement on the salary scale at the time of rehire (pursuant to Section 375) provided that the break in service was not caused by lack of employee performance.

Previous District employees whose service in the District is interrupted due to military service or the service of their spouse or domestic partner, shall not lose step placement if rehired.

392 REDUCTION IN FORCE/LAYOFF

The Superintendent is authorized to lay off employees (in accordance with Section 393) if:

- I. The position has been abolished.
- II. There are insufficient funds.
- III. There is not sufficient work available to warrant the continuation of employment.

If a layoff is pending, the Superintendent shall provide the employee a written notice indicating layoff at least three (3) weeks in advance of the layoff.

If for any of the above reasons, an employee has loss of employment with the School District, the Superintendent will make every effort to place the employee in other available job vacancies for which they may qualify within the School District, as determined by the Superintendent.

Current employees in grant funded positions that are in good standing with the District under sections 394 and 395 of this agreement shall be offered the grant-funded position if funds continue to be available.

Employees whose grant funded positions are not funded shall be rehired through the rehire rules as defined in rehire procedures section 394 and definitions section 395 of this agreement.

393 REDUCTION IN FORCE/LAYOFF PROCEDURE

Whenever possible, layoff will be accomplished through normal attrition. Further, the District may attempt to lessen the impact and extent of a layoff through transfers, encouragement of unpaid leaves, early retirement or by any other means deemed appropriate by the Superintendent and the Board. Should a layoff be determined necessary by the District for any reason, the following procedure will apply:

- I. Layoffs shall occur within job classification.
- II. All layoffs will be based upon District seniority (least senior employee first laid off) within the specific job classification in each rural school or the "town employee" group.
- III. Voluntary employee job share may be utilized as an alternative to layoff upon approval of the affected employees. Laid off employees will be given priority for any job openings within the District, for which they may qualify as determined by the Superintendent.

Town employees shall include as a group all bargaining unit employees not employed at a rural school.

394 REDUCTION IN FORCE REHIRE PROCEDURES

When positions become available the District shall first provide opportunity for rehire to laid off employees before the District employs new employees. In the event no laid-off employee is qualified for the available position, the District may select the most qualified applicant available. Such rehire rights will be retained for a period of sixteen (16) months. Rehire procedures shall occur in the following order:

- I. Qualifications (see Section 395 Definition II C).
- II. Initial date of employment.
- III. Satisfactory performance with the KIBSD.
- IV. Number of previous years' experience with the KIBSD.
- V. Principal/Personnel recommendation.
- VI. Recall:
 - a. Employees who are laid off will be offered rehire in reverse order of layoff to vacant positions, provided the employee is qualified to perform the duties of the position. The employee must accept such an offer within fifteen (15) working days of receipt of notification of recall by certified letter, or forfeit their rehire rights.
 - b. Employees shall retain all previously accrued leave benefits and experience credit but shall not accrue additional leave days or experience credit while unemployed due to being laid off. Employees rehired will be placed on the pay schedule in effect at the time of rehire without loss of pay schedule placement, accrued sick leave, and permanent employee status if applicable.
 - c. The employee's anniversary date shall be adjusted upon recall to their date of rehire.
 - d. Employees laid off shall remain on a rehire list for sixteen (16) months following layoff. To remain on the rehire list, employees must keep the District informed of their current address and availability for rehire at all times, in order to retain rehire rights. Failure to inform the District will result in the loss of recall rights.

395 REDUCTION IN FORCE DEFINITIONS

I. Seniority

Shall be defined as length of continuous service in District, part-time or full-time, or combination of both, measured from initial date of employment. District-approved professional, educational, sabbatical, health or military leave shall not be considered as interruption of service and time on such leaves shall be counted toward seniority.

397 IN-SERVICE

In-service days are workdays for classified staff. Classified staff will attend training or perform their regular duties at their work site on these days, as assigned by administrators/supervisors.

These District sponsored programs will be for the purpose of improving employee skills and, the Association will help plan in-service training programs for employees. In-service may be for a full day or part of a day, but in no instance will employees who are required to work or participate lose salary on such days. The Association President will provide a request to the Superintendent for the upcoming year's in-service needs by Spring Break of each year. The final determination as to the implementation of staff recommendations will be made by the administrator/supervisor, subject to approval by the Superintendent or designee.

Each employee shall receive a copy of the planned in-service activities for their building in-service or for the District wide in-service.

The District and the Association value a highly trained staff that meets the diverse needs of our students. The use of sick leave and personal leave is discouraged on in-service days.

400 INSURANCE

405 WORKERS' COMPENSATION

Consistent with the intent that there be no pay rate which exceeds one hundred percent (100%), such absence will be handled this way:

- I. The first three (3) days should be sick leave or upon employee request, personal leave, or leave without pay if no other leave is available.
- II. The remaining days could be taken as sick leave, personal leave, or leave without pay, at the employee's discretion. If the employee chooses to use either sick leave or personal leave and is paid by the District for that period of time, the combined total of the workers' compensation and the District compensation/portion will not exceed one hundred percent (100%) of the regular day's wages.
- III. The portion paid by Workers' Compensation will be credited back to whichever leave the employee used. In the event leave is granted by the Sick Leave Bank, credit will be returned to the Sick Leave Bank.
- IV. If the absence exceeds twenty-eight (28) days and Workers' Compensation then picks up the original three (3) days of paid leave; the District shall re-credit the employee for any leave deducted as a result of an on-the-job injury.

410 EMPLOYEE INSURANCE

- I. Pursuant to Section 125 of the United States Tax Code as amended, the District shall offer eligible employees the option of participating in a group health plan. Requirements of participation in the health plan shall be set forth in the District's Section 125 Plan which may be amended from time to time to conform to the requirements of Section 125.
- II. The District shall offer, with terms it determines prudent, a qualified high deductible health plan (HDHP) that has no more than \$3500/\$7000 deductible with a \$3500/\$7000 maximum out of pocket.

Employees accepting health insurance and who are eligible for a Health Savings Account may choose for the District to make an annual five-hundred-dollar (\$500) contribution to their HSA OR to their supplemental retirement account as described in Section 823: Supplemental Retirement Account. This contribution will be made on January 23rd or, for new employees, upon completion of their probationary period.

*Plan will cover routine wellness care and preventative prescriptions as and to the extent provided by law.

*The District will schedule training for employees to provide detailed education of specifications of the HDHP during work hours.

- III. The District shall pay ninety-nine percent (99%) of the HDHP premium and the employee shall pay one percent (1%). - V. No employee covered by this agreement will receive health insurance from more than one (1) District policy.

- VI. A permanent-full time or part-time employee becomes eligible for participation in the health and life insurance programs on the first day of the month following sixty days of employment. A job transfer subsequent to the initial sixty (60) days will not interrupt health insurance coverage so long as there is not a break in service.
- VII. Part-time employees who are eligible for, and elect to have insurance coverage, shall continue to pay a proportional share of the premium cost. However, no part-time employee shall be required to pay more than fifty percent (50%) of the premium cost.
- VIII. An eligible employee on an approved leave of absence may elect to pay the premiums for District-wide insurance during this period, if allowed under the group insurance contract. If the leave is pursuant to the FMLA, the District will pay its share of the premiums as and to the extent required by law.
- IX. **Surplus of Health Insurance Premiums**
The District will, by December 31st of each year, calculate a final cost of the insurance plan for the previous fiscal year which shall include all participants that were in the Standard Plan for the year. To the extent, if any, there is a surplus of premiums paid in excess of costs, each employee participant will be refunded, on or before December 31st of each year, an amount of the surplus that is directly proportional to the amount that the employee participant paid in premiums during the previous fiscal year (as compared to the District's contribution premium).
- X. **Insurance Committee**
The Association will participate in scheduled insurance committee meetings (which shall include KIESA, KAA, KAP, KBEA, and Superintendent representation). The committee shall meet a minimum of three times per school year (in the fall, spring and June following receipt of rates) unless otherwise agreed in writing by both parties. The committee shall only consider current health insurance issues such as benefits, selection of broker, surplus accounts, changes, or modifications thereto and procedures and protocols relating to the operation of this committee. If the committee proposes changes to benefits, such changes may be implemented during the term of this negotiated agreement upon the written agreement of the District and Association authorized officials. The Association shall consider changes proposed by the Insurance Committee in accordance with

the by-laws of the Association. Any party may add an agenda item consistent with this paragraph.

- XI. The Board shall provide, on a non-contributory basis, a group Life and Accidental Death and Dismemberment insurance plan for each eligible employee in the amount equal to \$85,000. In the event of an accidental death, the insurance will pay double the above amounts. The program of benefits will be as described in a master contract between the District and insurance carrier but shall be in effect when the employee is on District approved travel.
- XII. The employee at their expense, subject to the approval of the insurance provider, may purchase additional life insurance on themselves or their spouse.

500 LEAVES

505 LEAVE WITHOUT PAY

Fringe benefits do not accrue during leave without pay. However, accrued benefits shall be retained by the employee during the period of the leave.

- I. Short or emergency leaves without pay, of not to exceed six (6) weeks per fiscal year, may be granted by the Superintendent. If the employee has accrued personal leave, such personal leave and/or sick leave, if applicable, must be used prior to requesting leave without pay. The amount of time authorized for short or emergency leave without pay will be specified at the time of written request and in the response to the request. Short or emergency leave without pay is not to be accessed intermittently, but rather each leave request must be presented separately. There is no automatic right to leave without pay under this provision. Each case is considered independently. Any permanent employee (of more than three years) who uses leave without pay during the school year will not be eligible for a step advancement on July 1. This will exclude FMLA, AFLA, and allowable unpaid leave (see sections 110 and 521). Employees on leave without pay and allowable unpaid leave will be responsible for any deductions during that pay period not covered by their pay.

Should an employee require the use of leave without pay for an emergency, the Superintendent or designee may consider whether the leave without pay would not result in a loss of a step for the subsequent year, due to the circumstances. This is at the Superintendent's discretion.

- II. A long-term leave of absence without pay may be granted by the District to a Classified employee who has completed three (3) full years of service with the District. This service time may be modified at the Superintendent's discretion. Long-term leave requests must be in writing and may be for a period of at least six (6) weeks but shall not exceed one (1) year. Other than in an emergency, a leave request must be submitted no later than four (4) weeks prior to the proposed commencement of the leave. Upon completion of the leave, the employee shall be entitled to reinstatement in the same or similar position, for which the employee is qualified, along with the then current district benefits and on the appropriate pay scale.

- III. Employees granted a long-term leave of absence must inform the District in writing of their intent to return to the District employment no later than three (3) weeks prior to the conclusion of the leave. If an employee fails to provide a letter of intent to return in a timely manner as set out above, the employee may, at the District's option, lose the right to return to a position with the District.
- IV. No employee on an approved leave of absence may apply for unemployment benefits while on leave.

If an approved leave of absence is granted under this section, any vacancy so created may be filled by a temporary hire. This hire lasts for the term of leave and any temporary employee may be terminated at the conclusion of the leave period.

506 PARENTAL LEAVE

The District may not discriminate against or exclude from employment any employee or applicant on the basis of pregnancy related conditions. Pregnancy and all related conditions during the months of pregnancy must be treated as any other temporary disability for all job-related purposes.

An expectant parent shall give written notice of the fact to the Superintendent as soon as possible or at least two (2) months before date of expected delivery or adoption.

An expectant employee may continue to work so long as they can adequately perform their job duties. The Superintendent may, at their discretion, require medical certification that the employee is able to perform the required duties of the job.

An employee unable to perform job duties due to pregnancy or complications related to the pregnancy is entitled to disability benefits, sick leave, and sick leave bank benefits on the same basis as employees unable to work for other medical reasons. Following the birth of a child, the use of sick leave bank will not be allowed without certification from a doctor that the employee is unable to perform the essential job duties and is incapable of returning to work.

510 SICK LEAVE

- I. All employees shall be entitled to sick leave.
- II. For the purpose of sick leave, "Immediate Family" shall be defined as persons having the relationship of husband, wife, domestic partner, father, mother, son, daughter, brother, sister, grandchild, grandparent, or a person for whom the employee is the legal guardian, and such person lives in the same household as employee.
- III. Sick leave shall be calculated at the rate of .0605 sick leave hours per hour worked (1 1/3 days per 22 days) – for each service period. For Example: an employee that works five (5) days a week would receive the following sick days:

9-month employees	12 days
10-month employees	13.33 days
11-month employees	14.66 days
12-month employees	16 days

Sick leave shall be front-loaded at the beginning of the year, or upon hire and pro-rated for the remainder of the year. Should an employee separate from the district prior to the completion of their service period, leave will be pro-rated and the employee will be charged at their daily rate for any leave beyond what should have been earned for the actual days in service. Sick leave charged at the time of separation will be deducted from the employee's last paycheck. If the amount due exceeds the employee's last paycheck, the District will invoice the employee for the amount owed to the District.

- IV. Upon death or impending death of a member of the immediate family of an employee or spouse/domestic partner's immediate family, the employee may use their accrued sick leave, limited to not more than ten (10) days per identified need.
- V. Sick leave and personal leave will not accrue during the term of any leave without pay.
- VI. Sick leave after three (3) consecutive days must be accompanied by a doctor's certificate.

- VII. Up to two (2) hours of time off without taking leave will be provided for KIBSD required medical exams. Time off for all other medically related appointments requires use of leave.
- VIII. Sick leave shall be approved by the supervisor only when they have been notified prior to work period affected unless this is a physical impossibility.
- IX. Sick leave is allowable for illness in the immediate family or spouse/domestic partner's immediate family requiring the physical presence of the employee in the interest of family welfare. For purposes of care and wellness of others not listed as immediate family, other leave must be used by the employee.
- X. Any permanent bargaining unit employee who has not used sick leave for six (6) consecutive working months, beginning with the last date the employee used sick leave, will be entitled to a payment of one hundred dollars (\$100). To be eligible for this payment, the employee must have reported on all scheduled workdays, exclusive of personal leave, bereavement leave, administrative leave, Association leave, military leave, and civic leave. The employee must notify the Business Department in writing that they are eligible for this benefit. The payment will be issued on the next scheduled payday.
- XI. Each employee is responsible for the appropriate use of sick leave.
- XII. Classified staff are encouraged to arrange routine medical and dental visits outside the workday.
- XIII. The District may require that the employee provide, at their expense, a licensed health care provider's statement setting forth the date on which an absence due to illness or disability will commence or has commenced and the expected length of the absence consistent with provisions of FMLA. When requesting sick leave in advance for prearranged appointments, the District may require a licensed health care provider's statement.
- XIV. If the District has cause to suspect sick leave abuse, or if the District wants to verify that a classified staff is sufficiently well to perform their duties, the District may require a licensed health care provider's statement, e.g., when sick leave is used in conjunction with weekends or vacation periods or during parent-teacher conferences.

511 BEREAVEMENT LEAVE

Three (3) days of non-accumulative paid leave days may be allowed for an absence occasioned by a notification of death or impending death in employee's or their spouse/domestic partner's immediate family. An additional two days may be granted at the discretion of the Superintendent or designee if no other leave is available.

(Immediate family, for the purpose of bereavement leave, shall be defined as mother, father, husband, wife, domestic partner, son, daughter, brother, sister, or a person for whom the employee is the legal guardian and such person lives in the same household as the employee.) In case of travel outside Alaska because of notification of death or impending death in the employee's immediate family or spouse/domestic partner's immediate family, an additional four (4) days of non-accumulative paid leave may be allowed. Bereavement leave can only be used one time for each family member listed above.

In the event of the death of an individual not included in the above list, bereavement leave may be granted at the discretion of the Superintendent or designee.

515 SICK LEAVE BANK

All employees may join the KIESA Sick Leave Bank.

- I. The KIESA Sick Leave Bank shall be administered by the Sick Leave Bank Committee. The committee shall consist of two members selected by the Association President and one member selected by the Administration. It is the Committee's responsibility to approve or deny requests for Sick Leave Bank usage. In the case of denial, the request for Sick Leave Bank usage may be appealed to the School Board. Board decisions are final.
- II. Each employee enrolling in the Bank will donate one day of their sick leave to the Bank each year, until the Bank is built up to a maximum of four hundred fifty (450) days. No more days will be added to this maximum until the Bank is depleted to one hundred fifty (150) days except for new participants.
- III. The Business Office shall provide a statement showing current balance of sick leave bank to the Association President upon request.
- IV. Sick Leave Bank enrollment will occur when an employee has completed their probation period. Any employee who is automatically enrolled in this manner may decline participation in writing to the District's Business Office and shall be credited back one day of sick leave. Voluntary enrollment will be the responsibility of the employee and shall occur during the months of October and March.
- V. In the event that the Bank falls under two hundred (200) days during the school year, each member of the Bank may donate additional days up to a maximum donation of ten (10) days per year by notifying the Association President. The District will notify the Association President when the Sick Leave Bank falls under two hundred (200) days.
- VI. An employee withdrawing from membership in the Bank will not be able to withdraw the contributed days except as described in item (V) above.
- VII. The first ten (10) working days of illness or disability will not be covered by the Bank but must be covered by the employee's own accumulated leave or leave without pay.

These days may occur prior to the request for access to the Sick Leave Bank if documentation from the medical provider is presented.

- VIII. An employee will not be able to withdraw days from the Bank until all of their own accrued paid leave has been depleted.
- IX. The number of Sick Leave Banks days available to a member shall be equal to twice the number of days of sick leave the member has accumulated on the first (1st) day of July in the affected school year, or twenty-four (24) days, whichever is greater. In the case of multiple claims, if there aren't enough days in the bank to cover the claims in full, the available days will be split evenly between claimants. Days granted to a member may be used intermittently as deemed appropriate by the medical provider and/or the direct supervisor.
- X. An employee withdrawing Sick Leave Bank days will not have to replace these days except as a regular contributing member of the Bank.
- XI. Sick leave days can only be withdrawn from the Bank for individual member's illness or disability.
- XII. Requests for use of Bank days will be forwarded by the employee to the Association President and the Superintendent and must be accompanied by a letter from attending physician. The approval of the request shall be subject to the attending physician's supportive statement. Approved requests will then be forwarded to payroll for processing.
- XIII. The KIBSD leave form shall be used as verification of sick leave donated to the Sick Leave Bank.
- XIV. Qualifications for Membership and Use of Sick Leave Bank:
 - A. Only contributing members of the Sick Leave Bank are eligible to use it.
 - B. Members may use the Sick Leave Bank only after they have completed their probationary period in the District. Date of hire will determine eligibility.
- XV. In cases where an employee qualifies for FMLA/AFLA, leave accrued through the Sick Leave Bank must be used concurrently.

- XVI. Members who apply for the Sick Leave Bank must apply in good faith with the intent to return to work.
- XVII. Sick Leave Bank days allocated to an employee may not carry over to the next fiscal year. Unused days will return to the Sick Leave Bank.

520 PERSONAL LEAVE

All permanent employees working at least fifteen (15) hours per week shall be entitled to personal leave with pay. Leave schedules must be planned with supervisors and have their advance approval.

Accrual rate shall be based on years of service:

In hardship situations, the Association or the individual may solicit personal leave donations from employees in the KIESA bargaining unit. The Association will forward such requests for leave in writing to the Superintendent, who must give final approval of the request and the final leave transfers before such leave becomes effective. In hardship situations, the Association or the individual may solicit personal leave donations from employees in the KIESA bargaining unit. The Association will forward such requests for leave in writing to the Superintendent, who must give final approval of the request and the final leave transfers before such leave becomes effective.

At the beginning of this Agreement, the District shall operate two (2) personal leave models: Personal Leave Model and the Legacy Personal Leave Model. The Legacy Personal Leave Model is only available to employees with a start date prior to July 1, 2025. Employees with a most recent start date on or after July 1, 2025, will not have the Legacy Personal Leave Model available to them.

PERSONAL LEAVE MODEL for all employees with most recent start date on or after July 1, 2025.

All employees with a most recent start date on or after July 1, 2025 shall be automatically placed on this Personal Leave Model. Employees with a start date prior to July 1, 2025 may choose to switch to this Personal Leave Model at the beginning of any fiscal year by providing written notice to the Payroll Accountant no later than May 15th of the prior fiscal year. The choice to switch from the Legacy Personal Leave Model to the Personal Leave Model is permanent.

I. Accrual

Personal leave shall be calculated at the rate in the chart below for each service period and for years of service in the District. The rate below is the personal leave hours earned per hour worked, based on an average of 22 working days per month.

	Up to 2 Years	2+ Years	5+ Years	10+ Years
9 to 9.5 month	0.01515	0.02020	0.03030	0.03535

12 month	0.06818	0.07576	0.08333	0.08712

For example: an employee that works five (5) days a week would receive the following personal leave days, in hours, based on their working schedule.

	Up to 2 years	2+ years	5+ years	10+ years
9 month employees	3 days	4 days	5 days	6 days
10 month employees	3.5 days	5 days	7 days	8 days

Personal leave shall be front-loaded at the beginning of the year for permanent employees, or upon completion of probation and pro-rated from their start date for the

remainder of the year for new hires. Should an employee separate from the district prior to the completion of their service period, leave will be pro-rated, and the employee will be charged at their daily rate for any leave beyond what should have been earned for the actual days in service. Personal leave charged at the time of separation will be deducted from the employee's last paycheck. If the amount due exceeds the employee's last paycheck, the District will invoice the employee for the amount owed to the District.

II. Management of Accrued Leave

LEGACY PERSONAL LEAVE MODEL for employees with a start date prior to July 1, 2025 who did not choose to switch to the PERSONAL LEAVE MODEL.

I. Accrual

Personal leave accrual shall be at the rates below, based on each period of service:

- b. 2+ years: One and three quarters (1 3/4) personal leave days* per month. Accrued at the rate of $(.0795 / \text{scheduled hours}) \times 22$
- c. 5+ years: Two (2) personal leave days* per month. Accrued at the rate of $(.0909 / \text{scheduled hours}) \times 22$
- d. 10+ years: Two and one quarter (2 1/4) personal leave days* per month. Accrued at the rate of $(.1025 / \text{scheduled hours}) \times 22$

* Each leave day is equivalent in hours paid to the regular workday. For example, a regular six (6)-hour employee will be paid personal leave at the daily rate of six (6) hours.

Hours accrued will be based on scheduled hours excluding any leave without pay hours.

521 BREAK DAYS

Twelve (12)-month employees on the Legacy Personal Leave Model may request to switch the two (2) paid Spring Break days to other days during that week. This does not qualify as a scheduling change or a flexible schedule change under Section 841. A change in the schedule for the two (2) paid Spring Break days requested by an employee may be granted if such proposed change does not adversely affect District services, operations, or administration. Any change in schedule must be documented in writing and signed by the employee's supervisor.

522 ALLOWABLE UNPAID LEAVE

The District reserves the right to grant allowable unpaid leave (see Section 110) to an employee enrolled in the Grow Your Own program or other supported educational program as approved by the Superintendent or designee.

525 CASH VALUE UPON SEPARATION

All personal leave accrued and unused shall have full cash value upon separation from the District, unless an employee separates from the district during the probationary period or is dismissed for cause at any time. When an employee separates from the district during the probationary period or is dismissed for cause, any unused personal leave shall be forfeit.

530 ADMINISTRATIVE LEAVE

If an employee participates in seminars, classes or meetings which have been determined by the supervisor to be of benefit to the District, the time required for such participation shall be designated as administrative leave and no loss of pay shall result from such participation. Out-of-town travel time is considered part of this required time, including possible delays because of weather. The District will not be liable for any overtime pay because of this type of participation. Prior approval must be obtained for administrative leave unless participation is required by the District.

535 CIVIC LEAVE

- I. All employees shall be free to perform civic duties, such as holding elective public office and/or service on committees, commissions or other appointive bodies established by the Superintendent, Board, Borough Assembly, Commissioner of Education, State Commissions, Governor, or State Legislature providing that service in this capacity does not, in the opinion of the Superintendent of Schools, disrupt the position for which the staff member is hired or add unreasonable burden to the District.
- II. Requests and leave slips for Civic Leave will be forwarded by the employee to their supervisor for recommendation before submittal to the Superintendent. At the direction of the Superintendent, an employee may be granted a leave with pay for civic duties at the state and local level.
- III. The District will not be liable for any travel or per diem.
- IV. In the case of jury duty or subpoenaed witness duty, the employee shall turn over to the District all monies received from the court as compensation (except travel and per diem) for services, and in turn shall be paid their current salary while on court leave.

When an employee is summoned as a witness in a proceeding involving or arising from personal activities outside District employment or personal affairs, the employee shall not be entitled to civic leave for this purpose.

If an employee is a disaster responder, they shall be released from duty in order to respond to a disaster call. Full pay shall be received for time missed for such duty but the employee shall remit any pay earned while performing such volunteer services not to exceed the salary which would have been earned had the employee been on duty.

Upon submittal of orders verifying the service, the employee shall be granted personal leave. 600 ASSOCIATION RIGHTS

The President of the Association shall notify the Superintendent in writing a minimum of four (4) weeks, or when an event is known, whenever association leave is to be used.

The Association will recognize in its responsibility for maintaining the continuity of the District's operations in utilizing this provision.

The Association shall have the option to purchase up to five (5) additional days, by reimbursing the District the wage and fringe benefit cost of the employee using the leave.

630 MEMBERSHIP DUES DEDUCTION

- I. The Association will advise the District of the amount of the Association dues by September 1 of each school year.
- II. The District will send the Association President the bargaining unit list including name, work site, work email address, and member status by July 15, September 15, February 15, and April 15.
- III. For each unit employee who affirmatively consents to deduction of Association Membership dues, the District shall deduct an amount equal to the Association dues from the paychecks of each support employee commencing with the first paycheck in November or within thirty (30) days of the employee's hire date (whichever occurs later) and ending no later than April 23. Such deductions for employees will be in equal amounts and immediately transmitted to the Association.

With each transmittal, the District will furnish the Association with a list showing the names of all support employees and the amount deducted from each employee.

- V. Upon issuance and transmission of membership dues payments to the Association Treasurer, the District's responsibility and liability shall cease with respect to deductions covered thereby. The Association hereby undertakes and agrees to indemnify, defend, and hold harmless the Board, the School District, administration, officers, agents and employees from all claims, demands, suits, grievances, or other forms of liability that may arise against or on account of any deductions made from wages of such employee.
- VI. Association dues shall be deducted without cost to the employee or Association.
- VII. Should an employee choose to terminate their membership or stop dues deductions, they shall notify payroll and the Association.
- VIII. Association membership is from September 1 through August 31 and is continuous from year-to-year unless terminated by the employee.

700 MANAGEMENT RIGHTS

705 MANAGEMENT RIGHTS

The School Board possesses the sole right and responsibility to operate the school system and all management rights reposed in it, subject to the express provisions of this agreement. These rights include, but are not limited to, the following:

- I. The right to establish, relocate, or close facilities.
- II. The determination of the financial policies of the School District, including the general accounting procedures, inventory of supplies and equipment procedures, and public relations.
- III. The determination of the management, supervisory, or administrative organization of each school or facility in the system, and the selection of employees for promotion to management, supervisory, or administrative positions.
- IV. The right to establish, revise, or delete rules and regulations which are not inconsistent with this agreement, from time to time.
- V. The direction, and arrangement of all working forces in the bargaining unit, including the right to hire, suspend, promote, demote, discipline, or transfer employees consistent with the terms of this Agreement.
- VI. The right to relieve employees from duty for any legitimate reason.
- VII. The creation, combination, modification, or elimination of employee positions.
- VIII. The right to establish hours at the time of employment, so long as any change in hours is not without basis.
- IX. The right to contract or subcontract for goods, or services, subject to the discussion of impact with the Association.

800 SALARY SCHEDULES AND FINANCIAL BENEFITS

820 SALARY

All employees shall be paid at the hourly rate.

The pay schedule shall be adjusted upwards one percent (1%) each year of this Agreement as reflected on the pay schedules found at the end of this Agreement.

Base Student Allocation Increase Provision:

Over the course of this agreement, if legislation increases the BSA above the established FY 25 baseline of \$5960, for every \$750,000 increase in revenue over FY 25, one percent (1%) of the FY 25 pay schedule will be added in dollar amounts to each cell of the applicable year, and subsequent pay schedules will be updated to reflect such a change, up to a BSA amount of \$6960. This increase will not compound but will be based on the percentage of the FY25 pay schedule, calculated in dollar amounts and added to the pay schedule of the first applicable year. In the likely case that this increase in BSA revenue is not available by the beginning of the fiscal year, any corresponding increase to the salary schedule shall be retroactive to the beginning of the fiscal year, paid on the first pay period reasonably possible after the revenue calculations are available from DEED.

Returning Employee Incentive

Additionally, returning employees will be paid a one thousand five hundred dollar (\$1,500.00) (subject to withholding) bonus on the December 8th paycheck each year of this Agreement. Returning employees still on probation from the prior fiscal year will be paid the one thousand five hundred (\$1,500.00) (subject to withholding) bonus upon completion of their probationary period, or on their December 8th paycheck, whichever is later. The bonuses will be prorated as follows:

Hours/Week	Bonus
30-40	\$1,500
20-29.575	\$750
5-19.755	\$375

This shall be payable to employees who meet all of the following conditions:

1. The employee has maintained continuous employment with the District from one fiscal year through November 30 of the subsequent fiscal year, regardless of position classification (e.g., aide to mechanic, or food service to secretary); and
2. The employee returns to work in the new school year following an intended or necessary break in service due solely to position funding, administrative processing timelines, or other hiring delays outside the employee's control; and
3. The break in service does not reflect a resignation or voluntary separation by the employee.

Examples of eligible situations include, but are not limited to, employees who served in a one-year-only or grant-funded position and are rehired into the same or a similar position upon funding renewal, with the clear intent that the position would span the full fiscal year.

Ineligible situations include employees who voluntarily resigned or otherwise separated from employment with the District and were subsequently rehired after the fiscal year began.

821 RETENTION BONUS

Employees who have completed five (5) to nine (9) years of continuous service will be paid two hundred fifty dollars (\$250) on the November 8 paycheck.

Employees who have completed ten (10) to fourteen (14) years of continuous service will be paid three hundred twenty-five dollars (\$325) on the November 8 paycheck.

Employees who have completed their fifteen (15) or more years of continuous service will be paid five hundred dollars (\$500) on the November 8 paycheck.

823 SUPPLEMENTAL RETIREMENT ACCOUNT

The District will provide the opportunity for voluntary participation in a supplemental retirement account for each employee. Employees will need to enroll with the account administrator to participate.

Employees may elect to contribute to this supplemental retirement account, up to the allowable IRS limits, via payroll deductions by submitting the appropriate form to Payroll.

The District will match an employee's voluntary contributions at a one to one (1:1) rate up to the following limits, based on years of service with the District, starting with two (2) or more years.

2+ years: one half of one percent (0.5%) of the employee's gross earnings per paycheck

5+ years: one percent (1.0%) of the employee's gross earnings per paycheck

10+ years: one-and one-half percent (1.5%) of the employee's gross earnings per paycheck

For example, an employee with seven (7) years of service in the District chooses to contribute five percent (5%) of their gross earnings per paycheck to their supplemental retirement account. In this case, the District will contribute an amount equal to one percent (1%) of the employee's gross earnings per paycheck.

Additionally, employees that have signed up for a supplemental retirement account may choose for the District to make an annual five-hundred-dollar (\$500) contribution to their supplemental retirement account OR to their Health Savings Account as described in Section 410: Employee Insurance. This contribution will be made on January 23rd or, for new employees, upon completion of their probationary period.

All contributions by both the employee and the District are subject to Federal IRS limitations and regulations.

830 PAYDAYS

Employees will be paid on the 8th and 23rd of each month. All employees will be enrolled in direct deposit.

- I. If a regular payday falls on a holiday or weekend, payment will be made on the last business day before the holiday or weekend.
- II. Leave and earnings statement will be distributed on each payday.

835 PAY SHORTAGES

If an employee (or the Association on behalf of an employee) reports a possible pay shortage, any pay shortage verified by the District shall be processed within three (3) working days. Pay shortages of less than one hundred dollars (\$100) shall be corrected in the next payroll period.

841 SCHEDULING CHANGE AND FLEXIBLE SCHEDULING

- I. The District shall set the work schedules for employees. For school term employees, the District shall set the work schedule for the school year. When a change in the schedule is necessary to accomplish job duties, the District will provide reasonable notice of such scheduling change. Any change in schedule must be documented in writing and signed by the employee's supervisor, the grant administrator (if applicable), the Director of Finance, and the Superintendent respective designees.
- II. A change in schedule requested by an employee may be granted if such proposed change does not adversely affect District services, operations, or administration. Any change in schedule must be documented in writing and signed by the employee's supervisor, the grant administrator (if applicable), the Director of Finance, and the Superintendent respective designees.
- III. Employees shall accurately record all hours actually worked.

845 FINAL PAYCHECK

Employees leaving the District voluntarily shall receive COBRA options and other information, including final payroll adjustments, electronically.

The District will be provided with any changes to the address and contact information of the departing employee.

When an employee is terminated any wages due shall become payable immediately and shall be paid within three (3) working days following termination. The departing employee will be provided with an explanation of any final payroll adjustments made.

850 HOLIDAYS

All employees, other than temporary employees, shall be entitled to time off with pay on the following holidays:

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving
- Christmas Eve
- Christmas Day

Holidays that fall on the weekend will be observed as outlined on the school calendar and will be paid when they occur during an employee's scheduled service period.

Any employee attending in-service sessions which occur over spring break shall be eligible for holiday pay, but will not come under the provision for overtime, Section 855.

Holidays that fall during a time of year that the program or grant for which the employee works is not running or scheduled would not qualify the employee for holiday pay, with the exception of employees working in a program with a four (4)-day schedule. In this case, holiday pay may apply when the holiday falls on their regularly scheduled day off. To be eligible for holiday pay, an employee must be on the job or on approved paid leave for the full scheduled working day immediately prior to and after the scheduled holiday.

854 OVERBUDGET

Every classified employee is hired for a set number of hours per day. Any hours worked beyond those hours are considered overbudget. Hours worked over eight (8) hours a day fall under Section 855 Overtime.

Overbudget hours must be approved and noted on the timesheet. Overbudget hours are not calculated in leave accrual.

Overbudget hours are only for hours worked. Leave and hours worked cannot be combined for overbudget hours.

Employees are not expected to work off the clock. All time worked shall be paid.

855 OVERTIME

- I. The District shall pay any employee at the rate of one and one-half times the regular rate of pay for any hours of “time worked” more than forty (40) hours paid in a workweek, or for more than eight (8) hours paid in a day.
- II. Examples of “time not worked” include personal leave, Association leave, bereavement leave, civic leave, holiday pay, break days, and sick leave.
- III. In determining whether an employee is to be paid for more than forty (40) hours in a workweek, the number of hours paid shall be determined without including hours that are worked in excess of eight (8) hours in a day because the employee has or will be separately awarded overtime compensation based on those hours.

The procedure for use of overtime shall be:

- I. Overtime or work beyond daily budgeted hours shall be used only for projects where there is unusual or extraordinary need and must be approved by the supervisory person in charge.
- II. Emergency call outs shall be paid portal to portal and shall equal a minimum of two (2) hours of overtime pay if the above restrictions are met.
- III. On a paid holiday, employee shall receive time and one-half for any hours worked on the holiday in addition to holiday pay.

860 FULFILLMENT OF WORKLOAD

If an employee is on approved leave or is temporarily reassigned to fulfill duties other than their regularly assigned duties; the Superintendent may employ a substitute to fulfill the duties of the absent, or temporarily reassigned employee.

865 SUBSTITUTES

The employer may provide substitutes as required by the absence of a regular bargaining unit member; however, substitutes shall not be placed to perform the work of an absent regular bargaining unit member until other bargaining unit members regularly assigned to the building or department have been offered the work. A substitute shall only perform the work in a position that remains after regular bargaining unit members have been shifted to perform the work of an absent bargaining unit member.

866 CERTIFICATED POSITION COVERAGE

Employees may be directed to provide brief coverage in certificated positions for less than forty-five (45) minutes, while waiting upon the arrival of a substitute for a certain position. This shall fall under "Other Duties as Assigned from Time to Time," which by definition is a rarity.

It is recognized that, when substitute jobs fail to fill, employees may be needed to cover in certificated positions for forty-five (45) minutes or longer. This should also be a rare and infrequent occurrence. In these circumstances, the following shall apply:

1. Such coverage shall be voluntary. Probationary employees may volunteer. No employee shall be required to do so.
2. Every effort will be made to coordinate coverage based on employee preference, then in a rotation for both equal opportunity and to minimize the effect on employees' regular positions and workloads.
3. Employees providing coverage are still entitled to rest breaks and a lunch break.
4. Employees providing coverage for forty-five (45) minutes or longer shall be paid for the coverage time at a differential rate of ten dollars (\$10.00) per hour, rounded to the nearest quarter hour, in addition to their regular wage. Coverage shall not be changed solely to avoid paying the differential.

870 MILEAGE REIMBURSEMENT

When an employee is requested to provide their own transportation in order to fulfill the conditions of employment, the District shall provide remuneration at the IRS business mileage rate in effect on January 1 of each school year.

Mileage reimbursement claims must be completed by the employee, verified by the supervisor monthly, and turned into the Business Department by the 15th of each month for the preceding month or by the end of the school semester.

Employees shall not be required to transport students using a personal vehicle.

875 EDUCATION REIMBURSEMENT

Classified employees may be eligible for education reimbursement if the employee enrolls in a college, university, or vocational course:

- I. Which has a direct relationship to duties performed in their position, or,
- II. To gain versatility and enhance skills related to employment in the District, or,
- III. If the course is a requirement of an institution's program of study leading to a degree, and if the degree program is directly related to duties now performed or will enhance an employee's skill in a related field.

The employee should work with their supervisor to select courses which would serve these purposes. A Classified Request for Course Approval form should be completed, endorsed by the supervisor, and forwarded to the Assistant Superintendent for approval no later than before the course is completed. The request shall indicate name of course, dates of intended course completion, a narrative explaining the reasons and intent for taking the course. The District shall reimburse the actual cost for approved courses including applicable lab fees, course fees, books, and tuition up to one thousand dollars (\$1,000) per fiscal year. Evidence of successful course completion must be submitted for reimbursement. This can be in the form of an official transcript, grade slip or letter from the institution or certificate of completion.

In the case of positions where ongoing coursework is required and where the job description specifies a schedule for course or degree completion, the employee should be reimbursed for all tuition costs incurred to meet the requirements of the job description.

Reimbursement requests submitted after forty (40) working days of course completion will not be honored.

If recommended by the supervisor due to special hardship circumstances, arrangements can be made for an advance.

Nurse I and Nurse II employees may submit a plan to the Educational Advisor for professional development or continuing education necessary to fulfill license requirements. Once a plan is approved by the Educational Advisor, the employee shall be

reimbursed up to one thousand dollars (\$1000) per fiscal year for Continuation Education Units (CEU). The CEU monies noted above may be used towards professional membership at the discretion of the Superintendent.

The District may offer Grow Your Own initiatives that increase the tuition reimbursement totals beyond what is outlined above.

880 TOOL ALLOWANCE

Maintenance I, II, III, IV, Building Systems Technician, and Technology positions shall be given an allotment to replace lost, stolen, or broken tools and to purchase specialized tools and one set of weather gear if outside work is required according to the following schedule:

During probation Three hundred fifty dollars (\$350)/year

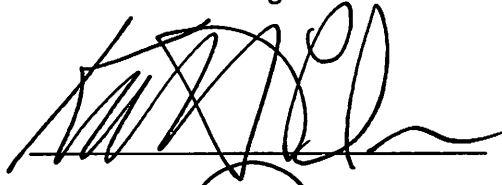

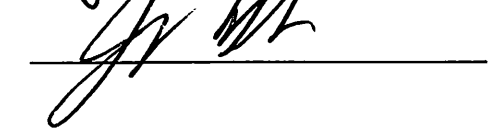

Permanent Eight hundred fifty dollars (\$850)/year

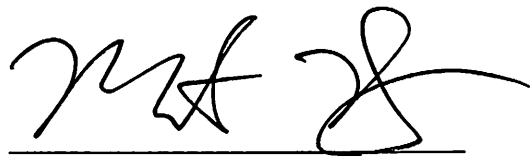

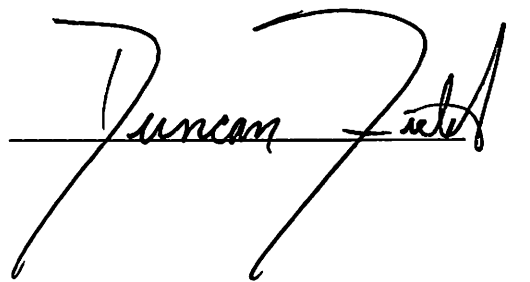

The tool allowance payment shall be made at the beginning of each fiscal year. Receipts for tools purchased must be signed and approved by a maintenance supervisor. Receipts shall be retained on file. All tool allowance money not spent by the end of the fiscal year shall be returned to the District.

If a probationary Maintenance Mechanic, Building Systems Technician and Technology Technician becomes a Permanent employee, they should be paid the difference between the Probation rate and the Permanent rate (five hundred dollars \$500). Thereafter the tool allowance would be paid on the beginning of each fiscal year.
